VANCOUVER MURAL FESTIVAL - TRIP PLANNING GUIDE

Walk+Bike+Roll - Getting Around the Vancouver Way

If you can, leave your car at home, and walk, bike or take transit to the Vancouver Mural Festival.

Vancouver is a great city for getting around on foot, by bike, or even on your scooter, skateboard or with a stroller! An extensive walking and cycling network link many of the main city attractions.

Combine those routes with the SkyTrain, transit bus network, and new bike share program, and getting around Vancouver without a vehicle is easy and convenient.
