

# HOW THE MPBIA HELPS YOUR BUINESS

## GRAFITTI & STREET CLEANING

As an MPBIA member, we encourage you to take pride in keeping our streets clean and buildings graffiti-free! If you see large piles of garbage or unwanted graffiti in the neighbourhood, please use the **incident reporting form** on our website to notify us.

You will also notice our clean team who make sure the neighbourhood stays litter-free and tidy!

## MEMBER ADVOCACY

The MPBIA advocates for members by acting as a liaison with the City of Vancouver, ensuring business and property owners' concerns are heard in planning, policy, and development decisions. We also support our members' economic development by advocating for their interests on issues like taxes, municipal regulations, permitting, and disruption caused by construction, all while helping businesses navigate City services and access relevant resources.

## SERURITY & NEIGHBOURHOOD SAFETY

We employ Kevlar Security to keep Main Street and Mount Pleasant safe. The Kevlar team monitor our neighbourhood from 8AM to 4PM, and they are available to attend incidents from 8AM to 9PM.

If you have concerns relating to safety, store theft and vandalism you can reach out to the team by calling 778-683-1293.

You can also download the Signal Private Messenger App through their website below to message a security team member directly and keep up to date on security alerts in the neighbourhood.
